

MISSION

To educate at-promise students through high-quality, personalized high school diploma options that prepare them for success in college, career, and beyond.

Real Learning for Real Life.

OUR BELIEFS

We believe that serving at-promise youth requires us to honor the challenge of every student's journey.

We believe it is our responsibility to educate our youth effectively, so that they may be prepared to meet and overcome future challenges and build a better world.

We believe in working with each student to learn, plan, dream, and to create a strong future.

We believe in the agency of every young person, no matter what challenges they may have faced.

We believe in the ability of our collective efforts to positively influence our students' life trajectories.

OUR COMMITMENTS

Caring, Supportive Relationships

We are committed to providing every student with mentorship, guidance and ongoing support from caring teachers and staff.

Individualized Learning

We are committed to meeting our students where they are in their learning and providing them with the individualized support that they need to meet their academic goals and reach their greatest potential.

Rigorous, Relevant Curriculum

We are committed to delivering a rigorous, culturally-relevant, technology-rich curriculum that connects learning to the real-world and to the diverse experiences of our students and their communities.

College and Career Readiness

We are committed to preparing students to pursue their career and college goals with the needed skills and competencies to meet the demands of the 21st Century workplace.

Excellent Staff

We are committed to recruiting and retaining high-quality staff who reflect the diversity of the communities that we serve and providing them with a safe, supportive and inclusive environment to learn and grow.

Equity

We are committed to delivering equitable outcomes for all students, so that race, culture, gender, first language, socio-economic status or past hardships are not predictors of student achievement.
